

Ingress Health Division: **Ingress Health USA**
Office location: **United States of America**
Job title: **Managing Director US office**

We are...

Ingress Health is a young and dynamic health economics and outcomes research consultancy. Our mission is to find the unexplored value of our clients products. We accomplish that with a dedicated and highly qualified team of international consultants working at offices in the Netherlands, Germany and Spain.

By putting our clients first, we have been able to attract and develop stable relationships with clients based at R&D pharma headquarters in Europe and the USA.

Due to the importance of the North American market, we are looking for a Managing Director with whom we can set-up and develop a US Ingress Health office.

We are looking for a candidate who

- Has 7-10 years of experience in consultancy setting
- Can attract work from clients
- Can manage a small team
- Can manage multiple (types of) HEOR projects at the same time
- Preferably has a PhD
- Believes that long-term business success is mostly driven by client satisfaction

Job description

- Support/organization in establishment of Ingress Health USA
- Setting up an infrastructure for running the office
- Setting up a sales/marketing infrastructure for Ingress Health USA
- Contracting first clients and starting sales
- Project management
